**SUBJECT: South Kohala Community Development Action
Committee**

The Office of Housing and Community Development (OHCD) requests to be placed as an agenda item on the South Kohala Community Development Action Committee's August meeting. We would like to have input as to what the community feels would be the best use for one of our parcels at Kamakoa Nui. The OHCD would like to understand what the community would be looking for and to see if this parcel can be modified to accommodate these needs.

We would like to present a short power point with photographs, maps, and our thoughts of a possible use for the parcel. The parcel has a unique characteristic that makes it difficult to develop, but could be utilized for other purposes.

If there are any questions, please contact Michael W. Prinslow at (808) 327-3617.
