Waimea Community Association & Hawaii Energy Present: A Free Community Outreach Workshop

Date: Thur. February 2, 2012

Time: 5:15pm – 7:00pm

Place: Waimea School Cafeteria

Hawaii Energy is the State of Hawaii Conservation and Efficiency Program helping people and business save electricity.

Our seminar will be presented by:

Helen Wai

A professional instructor on Financial Literacy throughout the State of Hawaii for over 10 years.

COST: No Charge
Provided as part of a
community outreach service

WHO SHOULD ATTEND?

People who are looking for ways to reduce their monthly expenses on electricity, water and people who care about the future of Hawaii.

Workshop Agenda:

- Who is Hawaii Energy?
- Learn ways to save electricity and about how to get rebates when purchasing energy saving appliances, lighting & water heating
- Learning about other outreach offerings and partnership happening in your community
- Light refreshments will be served
- Receive a free energy saving Advance Power Strip just for attending. **(limit one per household while supplies last)**

Free Limited time offer
