

Permission for Access, Survey and Control of Identified Invasive Species

I have been informed by the Big Island Invasive Species Committee (BIISC) and/or Coqui-Free Waimea (CFW) about *Eleutherodactylus coqui* (Coqui Frog) found in my area and the recommended procedures for control. I agree to cooperate with BIISC staff employees or their authorized agents (CFW) by allowing access to enter property I own or legally occupy to detect and destroy the identified pest. I understand that BIISC and CFW are not responsible for any accidental property damage and that I will not be held responsible for injuries sustained to BIISC or CFW staff while they are on my property.

I am _____ Legal Owner _____ Lessee/Renter
